Purchasing the Season Pack Users are eligible to purchase the Season Pack. Users who do not have a Season Pack should purchase the “Daily Golf VR - Green Reading Package” first and then purchase the Season Pack. The Season Pack includes: For the season, please enjoy exclusive equipment and avatars from the following content that are unique to ‘The Season.’ Regular Masks,

Ball Tails, Improved Golfers (including the new female Golfers), enhanced gameplay and plenty of other useful content, all for the price of the Season Pack! About Full Golf: Full Golf, the top-selling game of the season, is back! Create your ideal character with Full Golf’s unique Character Creator. There is no one in the game with more unique features and content than Full Golf! Players can adjust parameters such as the condition of the ball, the thickness of the grass, club strength, club design, etc. and play their ideal golf.

Players can create their ideal golf experience on a golf course with the various options available on the field. Fans of golf games are now able to enjoy Full Golf even more with the addition of new avatars and gameplay features. Furthermore, for players who did not purchase Full Golf, the improved compatibility of the Game Client

and the UI will make the game more convenient to play. During Spring, we will update the game in order to offer you more about Full Golf. For more information, please see the press release. ※ Please be aware that not all items included in the Season Pack are offered for sale. Players can purchase the Season Pack and enjoy the exclusive contents offered for sale. ※ Full Golf will continue to be updated post
